(Disclaimer): Any future expansions or development would require additional permitting.

Condition(s): A UDC permit from the locally contracted UDC inspection agency must be obtained prior to the start of construction If required. Must meet and maintain setbacks.

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page or contact a department of natural resources service center (715) 685-2900.

**NOTE:** This permit expires one year from date of issuance if the authorized construction work or work or land use has not begun.

Changes in plans or specifications shall not be made without obtaining approval. This permit may be void or revoked if any of the application information is found to have been misrepresented, erroneous, or incomplete.

This permit may be void or revoked if any performance conditions are not completed or if any prohibitory conditions are violated.
